

8 Series Cardio with OpenHub™

Our dedication to innovation has led us to search for new ways to offer the best user experience possible, and nowhere is the effort more evident than in our 8 Series cardio. With four decades of experience and a history of innovation behind the 8 Series, it is sure to give you the quality and performance you expect from a high end machine with an all new level of functionality.

Built in are the user focused features you have come to expect from Star Trac, like personal fans, a hot bar with heart rate monitoring and Soft Trac® technology. The 8 Series comes with a variety of new connectivity options in the form of the OpenHub™ console. OpenHub™ consoles provide entertainment, fitness tracking and asset management solutions. Give your members and staff the complete fitness experience by adding new 8 Series cardio with OpenHub™ to your facility.

OpenHub consoles are available on both Star Trac & StairMaster cardio

SMART. AFFORDABLE. FLEXIBLE.

When we set out to design our new console, our philosophy was simple: provide a flexible platform that connects expert partners to provide solutions for every customer for today and into the future. Introducing the new OpenHub™ family of Cardio Consoles. OpenHub™ is a smart, affordable, configurable solution available on Star Trac® and StairMaster® cardio equipment. The best part is, you add (and pay for) only what you want, when you want. The future of club connectivity is here. The future is OpenHub™.

BUILD ON GREATNESS

At **Core Health & Fitness**, when we brought together fitness brands to build our company, we settled for nothing but the best. Four iconic brands that pioneered entire categories and whose machines are still the ones **members ask for by name**. Today, we're committed to continuing the tradition that started decades ago – and that's greatness you can feel good about building your business on.
